Experience It! Gothic Line

In the waning days of World War II (and after the fall of Rome), German forces made preparations to defend northern Italy. Along the Apennine Mountains, they created a formidable line of defense in an effort to hold back Allied forces. The site of some of the hardest fighting of the Italian campaign, the battles along the Gothic Line helped tie down two German armies. Join us and see the array of bunkers and fortifications along the line and visit the Museum of Liberation. Learn of the heroic deed of Allied forces and Italian partisans. Come away with a new appreciation for those who gave so much in the name of freedom.
